

Falling in Love with God

(4-7 year olds)

It's time to put on your warm jacket to go out to play! Brown, red, and yellow leaves crunch beneath your boots outside each day! Autumn in the South can also be called Fall. Holidays like Thanksgiving, Christmas, and New Years are coming- we love them all! Family time is on the way, and yummy turkey and pumpkin pie, too! There's so many activities and events we're all so excited to do! God is so good to give us these fun things... in all of His creation, His glory rings! God blesses us on Earth and in our towns, He brings forth the harvest- He never lets us down. All He asks us to feel is joy, gratitude, thankfulness, and trust! He loves it when we show love to our family and friends- it's a must! We can share what makes us happy, and thank God for His care that never ends! We thank Him for the rain, the fall changes, whatever He sends. He's the BEST Father, and we love to trust in Him! Thank You for Fall blessings,
God. We love you!

Amen

James 1:17
