

Jesus, Miracle-Doctor

(4-7 year olds)

It was just after lunchtime when a boy laid very sick in his bed. His father wasn't home because he was looking for help. The boy's father heard a man named Jesus was visiting a town nearby called Galilee, and had left home to ask Him to please make his son feel better. The boy was so sick, the father knew he could die! The boy was asleep at home, not feeling well at all. Suddenly, his fever broke! The people in the house were so happy! The boy felt better and got out of bed. When his father came home the next day, he shared that he had spoken to Jesus just after lunchtime the day before, and Jesus had spoken that the boy would live! Everyone knew the boy had been healed because of Jesus, and he became healthy and happy again! Jesus had worked a miracle by making him better, and the whole family loved God in a new way.

John 4:50

Jesus saith unto him, Go thy way; thy son liveth. And the man believed the word that Jesus had spoken unto him, and he went his way.
