

"A Pumpkin Patch Party"

(2-3 year olds)

Skylar's pre-k class was going on a field trip today! They were going to a pumpkin patch! Skylar was excited and happy. At the pumpkin patch, the teacher said, "Boys and girls, every pumpkin is special in its own way, just like each of you! Pumpkins are used for different things, too. Some pumpkins become jack-o-lanterns, pumpkin pies, or look pretty sitting in your home" Skylar and her friend Adelaide talked about what they wanted to become. Skylar wanted to be a singer and make people happy, and Adelaide wanted to be a doctor who helped people. Ms. Bianca smiled at the girls and told them how God would use each of their lives for good! The kids each picked a pumpkin to keep. On the bus, the kids talked about how their pumpkins were all different. They were ALL beautiful, though! That fall, each parent helped their child use their pumpkin for carving, pumpkin pies, or to look pretty at home.

Jer. 29:11

For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end.
