

"A Pumpkin Patch Party"

(4-7 year olds)

All of Skye's class was going on a fall field trip today! Skye hugged her mama goodbye and ran to join her friends in line for the bus. They were going to a pumpkin patch today! Skye was excited to learn about pumpkins, and happy they were each going to pick one to take home, too. When her class got off the bus and all gathered around Ms. Bianca to listen, the teacher said, "Boys and girls, every pumpkin is unique and special in its own way, just like each of you! Pumpkins have different purposes, too. Some pumpkins become jack-o-lanterns, some become pumpkin pies, and some become decorations at home in the fall." Skye and her friend Adelaide talked about what they wanted to become. Skye wanted to be a singer who made people happy, and Adelaide wanted to be a nurse who helped people. Ms. Bianca smiled at the girls as she walked by, and told them how God would use each of their lives for good! The children looked at the many kinds of pumpkins and each chose one to take home. On the bus, the kids talked about their pumpkins; some had longer stems, some were smaller, and some were darker in color. They were ALL beautiful, though! That fall, each parent helped their child use the pumpkin for carving, pumpkin pies, or to look pretty at home!

Jer. 29:11

For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end.
