

Snow Angels & God's Protection

(4-7 year olds)

On a snowy December morning, the children of New Life Baptist Church went outside to play during Sunday School. The friends laughed and ran through the powdery white snow that had fallen the night before. One little girl laid down and began to move her arms and legs side to side... she was making a snow angel! The other kids laid down and made snow angels, too. A boy named Davie asked the Sunday School teacher if she believed in angels. "I do believe in angels, Davie," she said. "The Bible says we can ask God's angels to take charge over us, protecting us and our families from getting hurt! I pray Psalm 91 over my family every morning before I get out of bed." Davie and the other children were amazed! "You mean angels take care of us?" The teacher smiled and nodded her head "Yes." She explained that angels are always ready to protect us from harm, and when we pray, God gives them even more power to keep us safe from evil. The children pretended they could see beautiful angels all around the playground, keeping them safe from evil. They had a wonderful time and learned an important biblical truth that frosty winter morning!

Psalm 91 : 11 - 12

For he shall give his angels charge over thee, to keep thee in all thy ways.
They shall bear thee up in their hands, lest thou dash thy foot against a stone.
